

ONEPOINT

Company Stores

Features, Capabilities, and Benefits

Save time and money by getting control of your brand, budgets, and delivery with OnePoint's **custom Company Stores**. Consolidate your suppliers into one platform to source your uniforms, merch, gifting, employee kits, and print.

Better Company Stores. Better Experience.

For Any Industry.

We create company stores tailored to YOUR business and there's not another one like it.

✓ **USER INTERFACE (UI) - The Cool Stuff**

- Custom UI: Header/Footer, Color Scheme, Logo
- Custom: (Vanity) URL, Text Fields, and Drop-downs
- Guest Checkout and Order Notifications
- Categories, Users, and User Groups
- Unlimited Products and Scalability
- Secure Logins
- User Specific Views
- File and Logo Uploads
- Images, Social Media, and Video Libraries
- Social Media Ads for Digital Downloads
- Variable Data Templates with Online Proofing*
(Perfect for on-demand menu board pricing, business cards, promo cards, market specific brochures, etc. Any product where the user types in specific info and needs to see an on-line proof and then print on-demand.)
- Live Chat (quoted as needed)

✓ **BUDGET CONTROLS**

- Order Approvals for Spending Control
- Cost Centers
- Over Budget Alerts and Lock Outs
- Spending Limits Set Per User for More Control if Needed

✓ **KITTING SIMPLIFIED - Welcome Kits, Grand Opening Kits, etc.**

- Custom Kits on the Store
- Ability to Add Specific Items to a Curated Kit

✓ **INVENTORY**

- Inventory Tracking and Management
- Warehouse Integration
- Warehouse Storage and Pick Fees are Priced Separately*
(The fees can be averaged out over the year for easy budgeting.)

✓ **SHIPPING**

- Integrations with FedEx, UPS and USPS for real time freight rates
- Shipping Address Validation and Notifications

✓ **REPORTING OPTIONS**

- 24/7 Access
- Live Inventory Tracking and Usage Report
- Custom Inventory Dashboards and Google Analytics*
(Set up quoted on request. These dashboards are super powerful to quickly visualize your data.)
- Custom Built Reports Available (set up quoted on request)

✓ **SALES TAX CALCULATIONS**

- We are integrated into the U.S. tax tables to capture sales tax.

✓ **INVOICING OPTIONS - Tailored for Accounting Happiness!**

- Individual or Bulk Invoicing Available
- Cost Center Breakout Reports
- Custom Accounting Integrations*
- Franchise Friendly
(We understand that franchises may have to pay for their items so billing the Support Center isn't always possible. We offer several options for franchises to get invoiced directly and to charge our fees.)
- Inventory Reconciliation Reports*
- Keep your Accounting Departments happy with lots of invoicing options!

✓ **PAYMENT METHOD OPTIONS - Everyone Loves Options**

- Purchase Orders, Credit Cards, Redemption Codes, Invoicing, or No Payment Collected
- Budgets/Spending Accounts
- Multiple Payments Accepted at Checkout

✓ **INTEGRATIONS AND COMPLIANCE**

- PCI
- GDPR
- CPRA
- ADA (plug-available)
- Procurement Platforms* - ARIBA, COUPA, and Others
- Single Sign On (SSO), SAML*
- Punchout Capabilities and Custom Integrations*

* Quoted separately. Additional costs may apply.
